G.O.No.3270 P.H., dated 27-9-1947.
From the Special Officer for the Department of Indian Medicine, No.11104-1-B-47, dated 14-11-1947.

ORDER(MS.)168 P.H., dated the 19th January 1948.

....

With reference to the orders contained in the G.O. cited above, the Special Officer for the Department of Indian Medicine has suggested that in order that the medical facilities offered by the institutions of Indian Medicine may be properly utilized in implementing the suggestions mentioned in paragraph 1 of that order and that the Indian Medicine Branch may be adequately represented in all schemes of health service, the Special Officer may also be appointed to the Public Health Board which it is proposed to widen in pursuance of paragraph 3 of the G.O.

2. After a careful consideration of the Special Officer's suggestions, the Government have come to the conclusion that, while, undoubtedly, the Department of Indian Medicine should be ~~inclined~~-- included in the health plan contemplated in paragraph 2 of G.O. No.3270 Public Health dated the 27th September 1947, it is unnecessary for the Special Officer to be a member of the Public Health Board.

3. The Director of Public Health is requested to see that the co-ordinated health plan referred to includes the Department of Indian Medicine also and that, before the plan is framed, proposals are invited from the Special Officer and are considered by the Public Health Board. He is also requested to invite the Special Officer to attend the meeting of the Board at which proposals pertaining to the Indian Medicine Department are discussed.
